Department/Office: Community Development

**Requested Action or Motion:** Move to approve and authorize the Mayor to execute the Second Amendment to the Interlocal Agreement Between Orange County Property Appraiser and The City of Maitland for Digital Parcel Map Development (GIS data).

**Summary Explanation & Background:**

On December 7, 1999, Council approved an Interlocal Agreement between Orange County Property Appraiser and the City of Maitland for Digital Parcel Map Development (GIS data). The agreement was amended on July 19, 2001 to include an annual maintenance cost of \$2,500 for the City of Maitland's share of the service and GIS data.

The Orange County Property Appraiser's Office is requesting all jurisdictions amend the Interlocal Agreement to reflect and update the annual cost for 2018 of \$2,800. In addition, the amended Agreement stipulates that the annual cost may change from year to year based on the term of the vendor's contract, which will be proportionate to the increase or decrease to the total cost to the Orange County Property Appraiser.

The fee covers the cost of copying and distributing GIS and property information updates to the City.

Staff has reviewed the Second Amendment to the Agreement and recommends Council approve and authorize the Mayor to execute said agreement.

**Fiscal Impact:**

Funding for the Agreement is from the GIS Account (152-510-515-534670)
